

Syllabus

Algebra 1A/CAHSEE

Instructor: Brandon Clanton, Resource Specialist

Course Description

The course is designed to teach the basic math . Students will review material that they have been taught previously, as well as be introduced to new concepts to help prepare them for Algebra I.

Class Behavior/Rules

- Come to class on time
- Brings necessary materials (spiral notebook, paper, calculator)
- No eating or drinking in class
- Appropriate Behavior will be required at all times
- All school rules apply and will be enforced

Grading

- All students are required to have a 3 subject spiral notebook for the class
- All assignments are worth 5 points
- Tests/Quizzes will be given (points will vary)
- All work must be completed in full, there is no HALF credit
- Attendance issues will cause grades to drop because so much of our work is done in class
- Homework will be given and will be collected the next class period
