

Extra Credit CST Assignment: Complete an online CST test and then take a screenshot (“Print Screen”) of your total score. The better your score is, the more extra credit it will be worth. So try your best!

This Extra Credit assignment is DUE on or before May 8. Late assignments will *not* be accepted.

Step 1: Click this link to Mr. Lee’s website CST Questions link:

<http://cms.dsusd.k12.ca.us/education/components/testbank/default.php?sectiondetailid=59596&>

This is what you will see:

The screenshot shows a web browser window with the URL cms.dsusd.k12.ca.us/education/components/testbank/default.php?sectiondetailid=59596&. The page has a light blue background and a header with several colorful gears (red, green, blue, yellow, orange) and a cartoon character of a man in a white lab coat. Text in the header includes "WELCOME TO... PHYSICS With Mr. Lee in Room 608" and a list of topics: "• MOTION", "• HEAT", "• ELECTRICITY", "• LIGHT", and "• MODERN". Below the header is a dark blue navigation bar with the text "CST Questions". To the left of the main content is a vertical menu with buttons for "Physics", "Passing Physics", "Calendar", "Practice", "CST Questions" (highlighted), "Forum", "Q & A", "Dr. Michio Kaku", "Homework", and "Return". The main content area shows the date "Friday, May 4, 2012" and a bold instruction: "Download or open the test Word document below. Take the test online by clicking on Physics CST Released Questions Test link. You will not be able to advance to the next question until you select the right answer. You may take the test as many times as you want." Below this is an "Attachment:" section with a document icon and the filename "Physics_CST_Released_Questions_Test.doc". Underneath the attachment is a link: "Physics CST Released Questions Test (89 questions) Released questions used in class for review." At the bottom of the page, there is a copyright notice: "© 2009 - 2012 Mr. Lee > Physics. All Rights Reserved." The browser's taskbar at the bottom shows icons for Windows, Chrome, Internet Explorer, and other applications, with the system clock displaying "10:25 AM 5/4/2012".

Step 2: DOWNLOAD THE WORD DOCUMENT AS INSTRUCTED AND TAKE THE TEST ONLINE.

(You will need to toggle back and forth between this document, which contains the test questions, and the CST Released Questions Test link, where you will be submitting your answers.)

The link to the online test where you will submit your answers is underneath the word document attachment and is titled “Physics CST Released Questions Test (89 questions)”.

When you click the link to the online test , this is what you will see:
