Murrieta Valley High School

Keeping our families connected

Letter from our Principal

Dear Parents and Students,

I hope everyone enjoyed a wonderful Christmas break and you are ready for an amazing 2nd semester. One of our goals continues to be 100% engagement for our students in an activity outside the classroom. We have 50+ active clubs (flyer attached), 27 sports, band, choir, dance, cheer, virtual enterprise, robotics, mock trial, amongst others. Track and swim are examples of sports that begin this month, and both are great for anyone interested. Our staff is excited to make the Spring semester successful and we are here to support your needs!

Senior Parent Night

Senior Parent Night will be on Thursday January 18th in the PAC from @ 6:00 p.m. Agenda items will include graduation, senior activity dates, costs, counseling presentation, end of year activity participation requirements, etc.

Winter Dance

We will have our winter dance on Saturday February 10th beginning at 7:00 p.m. We are bringing back the Sadie Hawkins dance and we look forward to create special memories for our students.

Doing it the R.I.T.E. Way (Respect, Integrity, Teamwork, & Excellence)

MESSAGE FROM OUR SCHOOL NURSE

If your student has health concerns or a
chronic health condition that needs
accommodation at school

please contact our school nurse,
Lucy Cardenas MSN, RN to discuss.

lcardenasgomez@murrieta.k12.ca.us

Our Health Office is staffed with a full-time
health technician and a district school nurse.

Contact during regular school hours:

951-696-1408 ext. 5257

Is your child texting or calling from school to
let you know they are not feeling well?

Please ask them to go to the Health Office
where we will contact parents for pick up
arrangements or permissions to send them
home as a student driver. All students who
are ill at school and need to leave early will
be verified with parent/guardian and
released through the Health Office.

Ill and Injured Policy:

Health Office visits are limited to no more
than 15 minutes to minimize out of class
time and exposure to possible illness. After
that time, the student will return to class
unless they have a significant injury, have a
fever above 100F, or are experiencing
symptoms requiring isolation from class.
Parents will be contacted for students
needing to go home.

Health Services / Welcome
(murrieta.k12.ca.us)

If your student is on crutches, a knee
scooter, or wheelchair, there are two
elevators on campus. One is located at the
front of the gym for access to lower-level PE
areas and locker rooms. The other is located
at the two-story language arts building. Both
elevators require a key to operate, and keys
can be checked out in the Student Support
Office, Room 814. Please contact the school
nurse, Lucy Cardenas MSN, RN if your
student needs specific accommodations at
school.
