

MURRIETA VALLEY HIGH SCHOOL NIGHTHAWK NEWS

Keeping our families connected

NOVEMBER 2021

Letter From Our Principal

Dear Parents and Students,

We are quickly approaching the 12-week grading period for the first semester of the 2021-2022 school year. We encourage our students to take full advantage of our many interventions (Office Hours, before and after school tutoring). We have fewer days of school for students in November that I want everyone to be aware of. There is no school from November 22nd-26th to celebrate Thanksgiving. Additionally, November 1st is a Professional Development Day and November 11th is Veteran's Day. Staff members Major Tordai, 1st Sergeant Huckobey, Mr. Munn, and Mr. Santana all served in the military, and we thank them for their service. Thank you to all our parents and family members who also served this great country.

Our marching band season is in full swing as our Crimson Cadets have gotten off to a successful season. They received second place in their first tournament and have many more coming up. Our Choir performed their fall concert, and our Drama program is currently performing their first play of the school year, Halloween Screams. Our Robotics teams had great showings at their first competition of the year and had two teams reach the semi-finals out of 40 competitors. Our Leadership programs (ASB, Senate, Nighthawk Pride, PLUS and Link Crew) have worked hard to set a positive culture on campus. Our Red Zone was just named the most spirited student section of the week for all of Southern California. Our athletic teams have done a tremendous job. Boys' Water Polo and Football are competing for League Championships. We have had a great beginning of the year, as our teachers work to challenge our students and build positive relationships. Encourage your students to end the semester strong as we approach the end of the first semester.

Doing it the R.I.T.E. Way (Respect, Integrity, Teamwork, & Excellence)

Ryan Tukua,

Principal Murrieta Valley High School

DID YOU KNOW??

- Please be sure to keep an eye on your discipline records! Did you know that your disciplines do not fall off each year? They just keep rolling over and will keep you on the "No Go" list until you take care of them. Keep an eye on your status to avoid any unfortunate denials to school events. The next Wednesday morning detention is November 17th.

HELPFUL ATTENDANCE INFORMATION

- If your student is out for the day please call the 24 hour Attendance voice mail at (951) 696-1408 Ext 8743 to clear your students absence. If the message is received the morning of the absence it will avoid the parent reminder call/text/email that will otherwise alert you of their absence.

GRATITUDE

Research demonstrates that a practice of gratitude has many physical and mental health benefits. Practicing gratitude can increase happiness, boost your mood, decrease anxiety and improve relationships. By working at shifting our mindset to a place of gratitude we can improve our well-being and have a positive impact on others.

THE POWER OF GRATITUDE IS IN SHARING

Sharing and receiving gratitude feels good. This month share some gratitude. Spread the word. Let others know that you are grateful for them and share with them what they mean to you. Sharing gratitude helps build relationships, creates unity and can lead to positive connections.
