

## Why Join PTA?

### It's a Fact: Kids Do Better When Parents are Engaged in Their Learning

With schools facing challenges like shrinking budgets and lack of educational equity, PTA is more important than ever.

The PTA provides **programs** on strengthening **family-school partnerships**, and free resources for members on **issues** and areas such as **STEM** and **health & safety**.

Be a part of a powerful association that can **advocate** on behalf of children and educators at the local, state and national levels.

### With your PTSA membership:

- **You show** your children that school matters, and that you are invested in their success.
- **You demonstrate** to your child that success in school is the pathway to college, a career and a productive life!
- **You partner** with the principal, teachers and staff to make your child's school safe, welcoming, a hub of learning, and a fun place to be.
- **You share** in campus events and experiences that make your child's school days more memorable! Like festivals, dances, science experiments and more!
- **You connect** with other parents, and become part of California State PTSA and National PTSA, the largest and most powerful children's advocacy organization in the country.
- **You help** make sure parents and family members' voices are heard when important decisions that affect your school are made.
