Monte Vista Elementary **MONTE MEMO**

Learners Today, are Leaders Tomorrow

Pamela Picchiotino, Principal
Michael Benecchi, Assistant Principal

Dear Mountain Lion Families,

We are officially in the last five weeks of school. How this year has flown by! In the next few weeks, we have a ton of fun celebratory activities occurring. Please check your child's backpack or teacher Canvas page regularly to get updates on special events for the end of the year. We would not want anyone to miss any end of year activities this month.

I continue to feel blessed by the community support our students and staff are receiving. Together we will support our students to persevere through the next five weeks. Along with all the fun activities we still have important work to do. Attendance for the rest of the year is very important. Please continue to support a scheduled morning and evening routine so students get plenty of sleep and are ready to learn. Let us finish this school year strong! Be sure that your children get to school on time every day, so they do not miss a thing! Thank you for all your support!

Mrs. Picchiotino & Mr. Benecchi

MEMORIAL DAY

Memorial Day is a solemn day of remembrance, honoring all the men and women who have died in service to the United States armed forces. The holiday traces its roots back to May 30, 1868, when it was first observed as Decoration Day, following the Civil War, as a time to pay tribute to fallen soldiers. In 1971, Memorial Day was officially declared a federal holiday, now observed annually on the last Monday in May. This year, Memorial Day will be observed on Monday, May 26, 2025.

The day is also recognized by many as Poppy Day, a tradition observed in several countries around the world. In the United States, The American Legion introduced National Poppy Day®, encouraging Americans to wear a red poppy on the Friday before Memorial Day. The red poppy serves as a powerful symbol—honoring those who gave their lives and showing support for veterans and active-duty service members.
