Curriculum Adoption Information

Dear Families and Community,

After a **rigorous year-long pilot**, we're excited to share the **recommended K-5 Math and K-1 English Language Arts curriculums!** These selections were implemented in classrooms throughout our district as part of the pilot process to ensure the best learning experience for our students.

Materials are available for review in our front office and the **District Support Center** during school hours until **April 17th**, when the **School Board will vote on adoption.**

We value your feedback—stop by and share your thoughts!

Reminders

CAASPP – CAASPP testing for grades 3-5 will begin on April 14th. We will be testing Monday-Thursday, 8:30-9:30. This will be a school-wide no interruption time. If your student is in grades 3-5 and arrives after 8:30, they will be held in the office until the testing period is over. Furthermore, we will not be delivering items to classes during that time or calling students out of class. Please help your student(s) do their very best on this test by arriving at school on time, well rested, and ready to show what they know!

TK - Registration for 25-26 is open! Students who will turn 4 years old by 9/1/25 can enroll in TK for the '25-'26 school year. There will be a special TK/K signing day at Murrieta Town Square Park on April 26, 11:00 a.m.-2:00 p.m. **Please click this link to enroll today.**

CARE – April's CARE focus is Responsibility. Teachers and staff will be looking for students who are practicing responsibility in the classroom and on the playground.

Thank you for all your support!

In partnership,

Mrs. Nord and Mr. Lawson
